The President's Message . . .

Walter F. Griesedieck

Greetings:

On behalf of the Board of Directors I am pleased to extend a cordial welcome to the cottage owners, friends, and guests of the seventy-seventh Chautauqua season.

I believe that all will agree that the Chautauqua grounds have survived the past hard winter, with its winds, hail storms, and flood, very well; in fact, the natural beauty of our Chautauqua valley seems more outstanding than ever this year.

I should like to call your attention to the two new shuffle board courts. These were built through the kindness and generosity of the

wife and daughter of the late Mr. William J. Niergarth as a memorial to him and his love for Chautauqua.

We urge you to attend our church services this summer, for we are to have outstanding ministers from this area each Sunday.

My personal thanks go to all who have planned the wholesome recreational and entertainment program for this summer. The program and the wonderful people who participate in it make Chautauqua what it is—a family place for relaxation and inspiration.

Walter F. Griesedieck,
President

ARTICLE II OBJECT AND PURPOSES

Section 1. Object. The object for which the association was formed as stated in its certificate of incorporation is:

"To conduct a Chautauqua Assembly for religious, educational and scientific purposes and operate in connection therewith a summer resort."

Section 2. Policies. In fulfillment of this purpose, the association has since its organization found it feasible and possible to operate successfully without profit to its shareholders, to maintain well attended religious services and classes, to provide a place, facilities, and supervision for wholesome recreation and restful living during the summer season, and does hereby declare and determine that a continuation of such policies is for the best interest of the association, is essential to the accomplishment of its objects and will most effectively contribute to the physical, moral and spiritual welfare of its shareholders, cottage members, their families and guests, accordingly:

Section 3. Non-Commercial. It is declared that it shall be the policy of the association to prevent Chautauqua from becoming a commercial or secular enterprise during the period of its commitments to its cottage members, expiring November 30, 1985.

Section 4. Not for profit. The association shall continue to be operated and conducted without profit to its shareholders, and the net income, if any, shall not be accumulated for, and be paid to, or inure to the benefit of, its shareholders.

Section 5. Religion. The association shall continue to provide leadership and facilities for religious education and worship services, Christian but non-sectarian in character, as the underlying motif of the organization, and shall permit no sectarian or anti-Christian services or activities.

Section 6. Recreation and Retreat. The association shall, in connection with its religious program, provide facilities and leadership for children, and shall operate and conduct Chautauqua as a peaceful, wholesome, pleasant and safe place for rest and retreat from the pressures of modern living.

Section 7. Revocation or Amendment. This article shall be the central guide and control of the officers, directors and shareholders in all their actions and decisions, and shall not be revoked or amended except by a vote of not less than three-fourths of the entire board of directors and three-fourth of the shares of stock of the association, and then only after at least thirty-days notice by United States Mail, postage prepaid, to all officers, directors and shareholders, setting forth specifically and in detail the proposed resolution for revocation or amendment to be submitted for consideration.

Rules and Regulations Governing Chautauqua

Rules and Regulations governing daily living at Chautauqua are conceived in the interest of promoting public safety and making a pleasant and enjoyable stay for everyone possible. The cooperation of all persons in observing and obeying all By-Laws, Rules and Regulations of the Association at all times will be greatly appreciated.

1. **ADMISSIONS:** No person shall enter or remain on the grounds without a ticket of admission. All automobiles must be brought to a full stop at the Gate House at entrance to grounds. Gatekeeper is required to determine that each person entering grounds holds ticket of admission. For your convenience carry season tickets with you. Also register season tickets at Administration Office within one week of purchase.

If you expect guests, notify the Gatekeeper in advance and make arrangement for admission charges either by paying for guests' admission or authorizing the Gatekeeper to collect admission charges from your guests. Failure to make advance arrangements can cause embarrassment as the Gatekeeper is not required to admit strangers to grounds simply because they announce they have come to visit a Chautauqua resident.

Visitors arriving at Chautauqua by river must contact the Office Manager at Administration Building to arrange for tickets. No person without ticket is permitted to remain on the grounds.

Religious Program

The Religious Committee, with the usual fine help from Mrs. Arthur Maier, has again come up with a list of outstanding ministers to fill our pulpits on Sunday morning. Mrs. Maier has worked long and hard in working out the schedule for visiting ministers and the Association Board extends deepest appreciation for this cooperation.

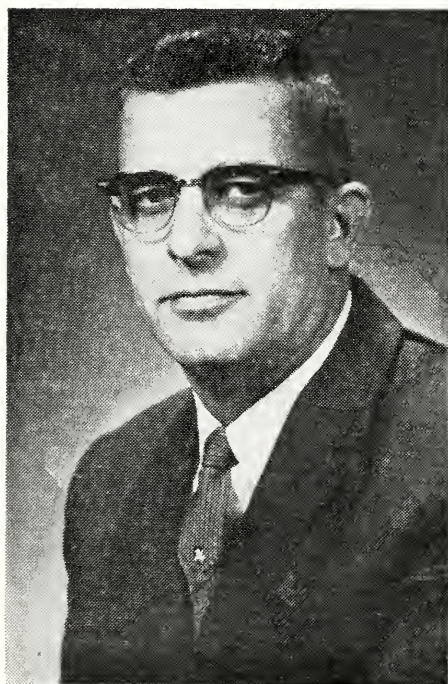

Our Sunday morning worship is held in the Auditorium at 11 a.m. with our Resident Minister,

Norman Wissehr, presenting our guest ministers.

Our Church School meets each Sunday morning beginning June 17 through September 3, at 9:45 a.m. Mr. Joseph L. Rain has for many years been in charge of this program and is again greeting his friends, both teachers and students.

On each Thursday evening during the season, Norman Wissehr will be in charge of the Devotional to be held in the Chapel at 7:30 p.m.

Resident Minister

Norman Wissehr

Virginia Wissehr

Resident Minister

This year Norm Wissehr is serving as the spiritual and recreational leader of Chautauqua and his wife, Virginia, is in charge of the music program.

Although Norm is a native of Belleville, Illinois, and Virginia of Waterloo, Illinois, and St. Louis, they established a home in Jefferson City, Missouri, soon after they were married in 1941. They have two sons, Mark, a junior at Webster High School, and Kurt, a freshman at Plymouth Junior High School.

After spending twenty-five years in the business world of tire sales and service, Norm had an inner compulsion to enter the ministry. Even though he did not have a college education, he was accepted at Eden Theological Seminary as a special student, and the family moved to Webster Groves. By hard study he has been able to more than meet the necessary grade requirements and is now in his middle (second) year.

Norm and Virginia have had years of experience working with young people in the Central United Church of Christ in Jefferson City and have served as youth counselors for the past two years in the Camps Farthest Out Movement at Lake Koronis, Michigan, and Fulton, Missouri. In recent years they have been active in Religious Study

Groups and Prayer Fellowship Groups.

Working with Norm, Virginia has played the piano and led the group singing at numerous Youth Fellowships and Camp Farthest Out retreats.

All Chautauquans should take every opportunity to get to know and to worship with this husband and wife team which will serve as the pivot for many of the summer activities.

RAY W. BEHYMER

THE ADMINISTRATION OFFICE

Ray W. Behymer, the new office manager, comes from one of Chautauqua's most illustrious and beloved families. He and his sister were first brought to Chautauqua in 1899 by their parents, Mr. and Mrs. F. A. Behymer. Regular summer residents from that year on, the Behymers have always shown their devotion to the resort by being active in its civic affairs and by spreading its fame through their newspaper articles.

Recreational Program

The recreational program at Chautauqua for the coming season promises to be, as usual, an active one. The beautiful swimming pool, which is open every afternoon and two evenings per week,

provides plenty of recreational opportunities for young and old . . . gives everyone an opportunity for recreation and competition. The following pages highlight what is to come. The Daily Program of Events lists the tournaments.

Play School

MISS BETSY SCHULENBURG
. . . Play School Director

Under the auspices of the L.C.I.A., the Play School is supervised by Miss Betsy Schulenburg. She is assisted by Miss Pat Hotze, who has helped at the Playground during the 1960 and 1961 seasons.

Both Miss Schulenburg and Miss Hotze have attended Play School in summers past and have grown up on the Chautauqua grounds.

Hours will be as before — from 10:00 A.M. to 12:00 Noon and from 1:30 to 3:00 P.M., Monday through Friday.

All youngsters on the grounds, 3-12 years of age, are welcome to attend the playground activities.

MISS PAT HOTZE
. . . Play School Assistant

Diversions

Just as Play School is provided for the children, there is organized diversion for every age group on the grounds. Every person above the age of 12 should be a member of the Boys' Club, Men's Club, Girls' Club or Ladies' Civic Improvement Association. Participation in the activities of these organizations helps everyone become a part of Chautauqua. As in all organizations, those who put the most into Chautauqua get the most out of it.

DANCES

There will be dances every Saturday night except August 4. The dances are sponsored by different organizations and street groups. All dances are under the general supervision of the L.C.I.A. which furnishes chaperones. No admission charge is made to those holding season or other grounds admission tickets, and all friends of Chautauquans are invited.

MOVIES

Free movies are shown in the Auditorium four nights per week throughout the season. The movies, carefully selected to appeal to all ages, are shown on Chautauqua's new wide screen with equipment that compares favorably with that in the finest movie theaters.

CARD PARTIES

The L.C.I.A. sponsors weekly card parties at the Springs Hotel each Tuesday night during the season for all ladies on the grounds. There are two special parties to which men are especially invited.

DRAMATICS

The traditional Children's Day Pageant gives all of the children an opportunity to perform in front of the footlights. The production staged by the Chautauqua Players each year is most ambitious. Saturday, August 18th, is reserved for this year's play.

CHAUTAUQUA BAND

The Chautauqua Marching Band under the direction of Fred Palmer, has become a popular activity for musically inclined young people. Rehearsals are held twice weekly during the season and the band performs at various functions. Persons interested in joining the band should contact Mr. Palmer.

BOATING

The Alton Lake area, where Chautauqua is located, has become one of the fastest growing boating regions in the nation. Many Chautauquans have become boating enthusiasts. The Chautauqua Yacht Club, a separate corporation, maintains docks. The Bluffs along the Illinois side of Alton Lake provide some of the best scenery in the Middle West. Water sports are popular with the young people.

Athletics

As usual, the athletic program plays a big part in the life of Chautauqua residents and vacationers.

Under the leadership of Ken Schulenburg, a busy schedule of athletic activities and tournaments has been planned. Except for swimming, there is no charge for any athletic activity. Not only does Chautauqua attempt to develop athletic skills, it places great emphasis on sportsmanship.

CHAMPIONSHIP AWARDS

The awards and trophies for all Champions will be presented at the "Awards Night Ceremonies" September 1. Special awards as agreed upon by the Athletic Committee also will be presented at this time.

GOLF

Through the courtesy of Westlake Country Club of Jerseyville, Chautauquans are permitted use of the golf course every day except Sunday. The greens fee is \$1.50 for nine holes. There is a snack bar in the club house. Ladies Day is Tuesday.

Favre Gould has been appointed chairman of the Golf Committee for this year. A trophy is awarded to a Chautauquan displaying the greatest improvement in his golf game during the summer.

ROQUE

Few can remember when roque was not played at Chautauqua. Roque courts have been maintained for nearly a half century and the popularity of the game has endured through the years. Tournaments for young and old are planned, including one for mixed partners. All ages at Chautauqua participate in activities at the Roque court. Championship Day will be August 25.

TENNIS

Dr. Arthur Brewer is in charge of tennis activities and, with the new court and additional facilities, increased interest in tennis is anticipated.

Chautauqua has had a long history as a tennis center and has produced some excellent players. The tournament will be held August 18th and 25th.

SHUFFLEBOARD

Mrs. William Niergarth and her daughter, Ethel Lee, have contributed two new professional size shuffle board courts as a memorial to Mr. William Niergarth, who introduced shuffle board to Chautauqua.

The Resident Minister, Norm Wissehr is in charge of shuffleboard activities. Here is a game that men, women, boys, and girls of all ages can play and enjoy. Everyone should register for the tournament July 28.

ARCHERY

Dr. Sy Hotze again has agreed to sponsor archery. The popularity of this sport last season augurs well for a busy season of competition for the bow and arrow set. The championship will be determined in the various classes August 25.

BOWLING ON THE GREEN

The new courts for Bowling on the Green will be ready this summer. Again this year Mel Norris is in charge of this sport. Both men and women have found Bowling on the Green a recreation and exercise that is satisfying and the good fellowship that prevails at the courts makes the game more attractive. Championship Day is August 25.

SWIMMING

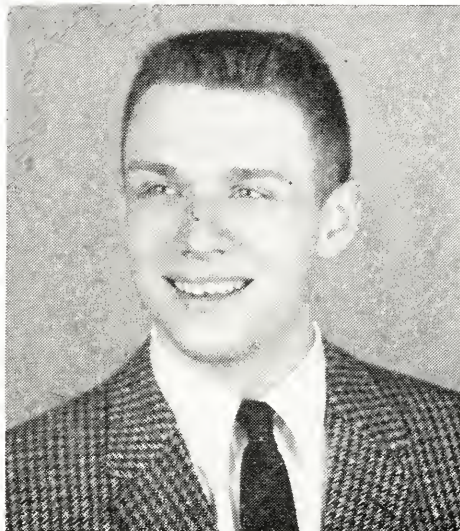

Chautauqua's modern swimming pool is operating full force this season. The pool, with its elaborate filtering system, meets the exacting requirements of the Illinois Code.

William Schwaninger and William Norris are co-managers and life guards. Both boys have been trained in the pool at Chautauqua and have received Red Cross official life saving certificates. Mary Meisel, a junior at Kansas University, is assistant life guard.

The pool is open every day

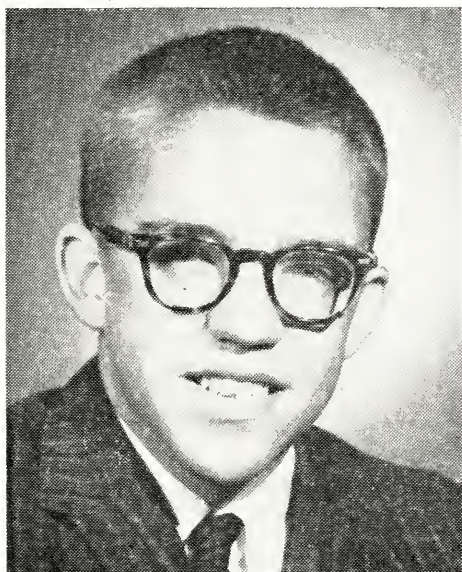

from 1 P.M. to 5 P.M. and from 6:30 P.M. to 8 P.M. on Tuesday and Sunday evenings.

Swimming lessons will be offered.

Daily Program of Events

The events shown on this and following pages are by no means all of the organized activities that will be taking place throughout the season. They are merely some of the major events. For details of day-to-day activities at Chautauqua make it a habit to watch the Bulletin Board at the Administration Building and listen for announcements at the Auditorium.

Thanks to the cooperative enterprise of the Men's Club and the L.C.I.A. each week a bulletin will be issued and delivered to each resident outlining current or new activities for the following week. Anyone having information to place in this bulletin must have it at the Administration Building or to Favre Gould by 7 p.m. on Monday preceding date of issue.

On the following pages the schedule of daily events is presented with a page per week so that you can see at a glance the entire week ahead. We suggest that you use the program as your "date book" by making notations of additional engagements in space provided in the daily calendar.

Every woman at Chautauqua should share the fellowship and work of the Ladies Civic Improvement Association, whose purpose is to further the civic and social welfare of the community. The organization supplies chaperones for the dance, sponsors the Girls' Club, and provides for Children's Day weekend; it sponsors the weekly card parties, a smorgasbord, a bake sale and a bazaar. Proceeds from these events are used in community projects. With its Memorial Fund, sustained by contributions given as tribute, the L.C.I.A. beautifies the grounds by planting trees,, flowers, and shrubbery.

Chautauqua Men's Club

The Men's Club has an open membership consisting of all men of Chautauqua and those relatives and friends interested in Chautauqua activities. The men contribute both time and money to worthwhile projects on the grounds, and

this year have a full schedule.

The traditional barbecue will be put on by the men on Saturday, June 30, and the carnival and balloon ascension on July 4, as usual. On August 4 they will sponsor a card party.

Chautauqua Yacht Club

The Chautauqua Yacht Club has been successfully operated as a separate corporation for the past twenty-four years.

Certainly this would not have been accomplished without the cooperation and hard work that was put forth by everyone doing his part to provide wholesome recreation and relaxation to many throughout the past years.

The future of the docks has been indefinite because of the building of the new road; however, tempor-

ary facilities for docking are available this summer. Persons needing dock facilities should contact Mr. McKain.

The New Piasa Chautauqua Association requires all docks and docking adjoining the Chautauqua Grounds, to come under the rules and regulations of the Chautauqua Yacht Club.

The Annual Meeting will be held the last Saturday or August 25, 1962, on the docks.

Membership is open to all.

Chautauqua Players

The Chautauqua Players is a dramatics organization founded six years ago. It has produced highly successful theatrical productions each year.

The purpose of the organization is recreational rather than professional. Its membership, with no dues, includes all Chautauquans who are interested. Revenue re-

ceived from the annual production is used to defray expenses and to purchase needed equipment and improvements of the stage and auditorium.

The Chautauqua Players will present a play, to be selected, in the auditorium Saturday, August 18, at 8:15 p.m.
